

A FAMILY BUILT
TO BE SENT

UNSTOPPABLE

CHURCH

SMALL GROUP GUIDE
WEEK SIX

The Big Idea

In the last week of our series, we learned that the church Jesus builds was never meant to stay inside the building. Everything God has done in us by helping us belong, connect, serve, and grow, prepares us to be sent into the places He has already positioned us. We build the church by making disciples, and then He carries those disciples into our families, workplaces, schools, neighborhoods, and communities. An unstoppable church doesn't only gather well. It gets sent.

Things to Remember

Sunday is not the finish line. God gathers us, grows us, equips us, and then sends us.

Next Steps

Identify one place where God has already stationed you, in your home, workplace, school, neighborhood, team, or community. Ask yourself: "What would it look like for me to intentionally represent Jesus here this week?" Have the conversation. Pray for someone. Invite someone to church. Serve your neighbor. Speak truth with courage and grace. Take responsibility instead of waiting for somebody else to go first. And make Isaiah's response your own: "Here I am. Send me."

Icebreakers

1. What is one place outside of church where you spend the most time during a normal week?
2. Who is someone you have watched live out their faith courageously in everyday life?

Discussion Questions

1. Read Nehemiah 4:16–18. The people built with one hand while remaining ready to battle with the other. What does it look like for the church to both build disciples and contend for truth at the same time? What do we see happens when we neglect either side?
2. Read Nehemiah 4:14. Nehemiah tells the people, "Don't be afraid... remember the Lord." Where are you most tempted to fear what other people think? How does remembering who God is give us courage to stand when following Jesus costs us something?
3. Read Matthew 28:18–20 and Jeremiah 29:7. Jesus sends us to make disciples, and God calls His people to seek the good of the place where He has stationed them. Where has God positioned you to lead and influence others right now (your family, workplace, school, church, or community)? What could faithful leadership look like there this week?
4. Read Matthew 5:14–16. Jesus calls us the light of the world and says that light is meant to be visible. What is the difference between faithfully living out your convictions and simply trying to win arguments? What is one practical way you can intentionally represent Jesus in your everyday world this week?

Closing Prayer

Father, thank You for everything You have built in us through Your church. Give us courage to take what You have done in our hearts and carry it out to the world. Help us remember You when fear rises, lead faithfully wherever You have stationed us, and shine the light of Jesus in every part of our lives. Make us a church that builds disciples, protects truth, serves our communities, and runs toward the places You call us. Here we are. Send us. Amen.
